

A Blessing Song

Words and music by Monica Brown

Our bles-sing song for you, We sing from our hearts. We thank our God for
you, For the gift that you are, and we pray now that the seed of his
love may grow in your heart, And as you grow, may you al-ways
know, how precious you are - in the eyes of our God.
May his face smi-le on you, bringing joy to you, and as you
grow may you al-ways know how pre-cious you are- in the
eyes of our God.
